SEASON THREE

3 vs. 3 HOCKEY LEAGUES

Welcome to the Third Annual Return of the Robin 3 vs. 3 Hockey Leagues! The league is an exciting way to kick start your hockey season and maximize your game with a lot of puck touches and creative game play opportunities. This is a half ice league so every player on the ice will be engaged and have a blast playing!

Levels: There are five levels of play to choose from

Mites (ages 5-8)

Where: Graham Arena Four, Rochester, MN

Squirts (ages 9-10)

Peewees (ages 11-12)

Schedule: August 11th – October 6th

Bantams (ages 13-14)

Girls U10/U12 (ages 9-12)

Sundays with games between 11am-6pm

Cost: The registration fee is just \$150 per skater and \$75 per goalie. The levels will fill on a first served basis and will close once the rosters are full.

Why: Effective hockey players create time and space in small spaces such as corners and in front of the net. Many drills have been created to emphasize the skill it takes to play in small areas. It turns out that 3 vs. 3 game play works best for this as the game breaks down to 3 vs. 3 battles all over the ice. By cutting the ice in half, the players are in a constant puck touch or puck battle situation. **Game On!**
